Terms and Conditions

REFUND REBATE: A return rebate, much like a "core charge," is a portion of the price that is refundable upon receipt of an item that can be remanufactured. The return rebate ensures the return of your used item(s) so it may be rebuilt. This ensures a continual supply of high-quality item(s) that are less expensive than brand new items. The rebate is refunded or credited upon receipt of your used re-manufacturable items.

PRODUCT ELIGIBILITY: All items indicated in the list on the first page are eligible for a refund rebate. The items must have been purchased from The CarveWright Store (www.carverwright.com/store) or LHR Technologies, Inc. The items can be from a Craftsman CompuCarve or CarveWright model machine.

PROGRAM RESTRICTIONS: We must be able to validate the purchase of an eligible replacement. Parts pulled not correlating with an order placed will not be honored for refund rebates.

PROOF OF PURCHASE: Parts received will be verified against the order number indicated on the first page. Handwritten receipts will not be accepted. Order acknowledgments and packing slips are not valid forms of orders. If the order number does not contain a valid qualifying item, then no rebate or credit will issued.

REFUND REBATE SCHEDULE: Once eligible item and form are received, allow up to 6 weeks for refund or store credit to be issued.
